(*) When deemed necessary, the CSR Election Board can make changes to the Election Calendar providing the parties concerned are informed in advance.

(**) Petitions to the CSR Election Board (candidacy, objections, etc.) can be submitted through Pevrin Harmanlı (S-212) and Şebnem Akdoğan (S-217) for Programs and Graduate School Programs Representative Elections; and through Cemaliye İzdağ Kekeçoğlu (P-135) for SFL Representative Elections.

(***) At least 60% of students should participate in the election vote in the first round for the results to be binding, and 50% in the second round. In the third round, though, this rule doesn't apply. Taking into consideration the possibility that the results are not obtained in the first and second rounds, students must be prepared to vote in the second and third rounds of the elections as well.
